Web Grade Entry Steps in Teaching Support (Grade Access)

To enter web grades, staff in your department must set up the appropriate access. This job aid is for people who only have **GRADE** access. If you have access to enter and approve grades, see: Web Grade Entry Steps in Teaching Support (Approve Access).

1. Type [https://wolverineaccess.umich.edu](https://wolverineaccess.umich.edu) in your web browser.
2. Click **University Business**.
3. Click **Teaching Support**.
4. Log in using your uniqname and UMICH (Kerberos) password.  
   *If you encounter problems with your uniqname and UMICH (Kerberos) password, please visit: [http://www.itd.umich.edu/accounts](http://www.itd.umich.edu/accounts)*.
5. Click **Record Grades**.
6. Select the **Term**.

   **NOTE:** Click **Return to Teaching Support** to go back to the Teaching Support page.

7. Select the **class**.

   **NOTE:** You can only view classes that you have access to grade and for which a grade roster has been generated.  
   **NOTE:** Click **Select a Different Term** to return to the Record Grades page.

8. Enter grades or select grades with the **Lookup**.

   **NOTE:** See the next page to learn how to use the Lookup.

   **NOTE:** If the class has been set up to meet the ULWR requirement, a C- or better automatically satisfies the requirement. A separate ULWR grade does not need to be entered.

9. Change **Approval Status** to “**Ready for Review**.”
10. Click **Save**.

    **NOTE:** An automatic e-mail is sent from the Grader to the Approver indicating the grades are “Ready for Review.”

    **NOTE:** The grades will be posted to the students’ records for all grade rosters with an Approval Status of APPROVED after a batch process is complete. The grades’ status will change from “Pending” to “Posted.”

    **NOTE:** Click **Select a Different Class** to enter grades for another class. Repeat steps 7-11.

11. Perform the 4-step logout process.

About the Grade Roster

Students listed in the Grade Roster for a class are those who have officially elected the class.

- If a student has elected the Pass (P)/Fail (F) option for a letter graded (A-E) course, instructors must submit a grade of A-E. This letter grade will convert to reflect the P or F (on the student’s record) according to the School/College rules for the individual student.
- If a student has been attending the class and is not listed, please submit the grade on a Supplementary Grade Roster (SGR) and also submit an Election Worksheet.
- If a student is listed on the Grade Roster who has not been attending this class, enter NR (No Report) in the Grade Input field. The NR will be converted to appropriate unit symbol after the Grade Roster is successfully submitted.
- Grades may be given only for courses and credit hours indicated on the grade roster.
- There are times when a student already has a grade entered, e.g. W, VI. These grades cannot be changed on the grade roster. If you believe the grade is incorrect, please submit a grade change on a Supplementary Grade Roster (SGR).

Grade Symbols:
- A, B, C, D, E Letter grades that may be qualified with a + or –.
- I Final Grade must be submitted on a Supplementary Grade Roster (SGR) available in Department Office.
- Y The course extends beyond the published schedule of term. Y symbol may be used only if class is approved as an extended class.
- NR No Report

Grade Symbols that may be used if the class is approved for Pass/Fail, Satisfactory/Unsatisfactory, Credit/No Credit:
- P Pass
- F Fail
- S Satisfactory
- U Unsatisfactory
- CR Credit
- NC No Credit

Check unit policy for unit-specific grading patterns (e.g., graduate business).

Prepopulated Grade Symbols (do not change these symbols):
- W Official Withdrawal
- VI Class Elected as visit

The Grade Roster must be submitted 72 hours after the final examination for the class.
