NOTE - IT IS CRITICAL THAT STUDENTS ATTEND CLASSES FROM THE BEGINNING OF THE TERM. EVEN THOUGH STUDENTS MAY BE REGISTERED OFFICIALLY FOR A COURSE, DEPARTMENTS MAY GIVE AWAY A STUDENT'S PLACE IN A CLASS IF THEY DO NOT ATTEND:

---THE FIRST MEETING OF BIOLOGY, CHEMISTRY, AND PHYSICS LABORATORIES;

---EITHER OF THE FIRST TWO MEETINGS OF ENGLISH COURSES;

---THE FIRST TWO MEETINGS OF HISTORY 396 AND 397;

---EITHER OF THE FIRST TWO MEETINGS OF ANY COURSE OFFERED BY THE DEPARTMENT OF ROMANCE LANGUAGES;

--THE FIRST TWO MEETINGS OF COURSES IN OTHER SUBJECTS.

AT THE SAME TIME, DEPARTMENTS ARE NOT OBLIGATED TO WITHDRAW STUDENTS OFFICIALLY FROM THE COURSE, EVEN THOUGH THE STUDENT HAS BEEN INFORMED THAT HIS/HER PLACE IN A COURSE HAS BEEN TAKEN AWAY. STUDENTS ARE RESPONSIBLE FOR THE ACCURACY OF THEIR SCHEDULES AND MUST BE SURE THAT ALL DROPS ARE PROCESSED THROUGH REGISTRATION SYSTEM DURING THE NORMAL DROP/ADD PERIOD.

Intro World Mus Educ This workshop will explore the role of digital technologies in creating, performing, and responding to music, with applications to lifelong music learning and participation. A primary emphasis of the workshop will be the development of participants' Musical Technological Pedagogical and Content Knowledge (M-TPACK). The technological focus of the class will include music notation software, MIDI and digital audio, instructional computer programs, Internet resources for music learning, social media, and productivity tools. The workshop is applicable to all music teachers. The focus will be primarily on beginning to intermediate applications of technology, however users can adapt projects to their level of skill and understanding, from beginning to advanced.

Teaching Students w/ Spec Need								
This workshop will explore piano skills that many music teachers find practical in their field. These skills include fundamental technical skills (scales, arpeggios, chords, and more), sight-reading, harmonization and transposition, improvisation, chord arrangements and accompanying, overview of music theory and keyboard harmony, and score-reading (both instrumental and choral). Participants will have an opportunity to receive one-on-one instructions on solo repertoires of an appropriate level (both for participants and for their potential students), as well as an opportunity for performing ensemble repertoires. All music teachers with experience in various settings, including choral, orchestral, or instrumental, are welcome. Basic background in piano studies (equivalent to courses such as undergraduate core curriculum class piano) is preferred but not mandatory.

Gender&Sexual Identity Pop Mus

While most music scholars agree that music reflects the particular time and place from which it originates, some would go so far as to argue that, in some circumstances, music can also act as the driving force behind shifts in social mores and attitudes. Scholars of popular music, for example, point to the role played by music in such events as the civil rights and anti-war movements as examples of its power to enact social change. In this course, we will examine how popular music has contributed to changing attitudes about gender and, relatedly, about sexual identity over the past five decades. In the case of gender, we will examine how the second- and third-wave feminist movements of the 1960s and 1990s opened new roles to female musicians in the construction of popular culture, and how some of these musicians, in turn, used their fame to push the boundaries faced by women even further. Notably, this portion of our discussion will look at the impact of such female icons as Siouxsie Sioux, Madonna, Alanis Morissette, and Lady Gaga on existing limitations placed upon women by the music industry and by society more broadly. In tandem with our discussion of music and gender, we will also examine how the notion of sexual identity was challenged and problematized by popular musicians in the wake of the 1969 Stonewall riots, the rise of gay activism in the 1970s, and the AIDS crisis of the 1980s. Here, we will look at the trend in popular culture towards alternative forms of gender performance, embodied by such artists as Boy George, Annie Lennox, k.d. lang, and Genesis P-Orridge. At the heart of the class is the question of how music can effect social change ? a topic that will be of interest to music educators who hope to connect music to the student?s broader cultural experience.
